Hello Katherine. Thank you for your time and expertise. I've attached the updated Martville mining planning maps and plan text as requested.

I uploaded the site pictures to the DEC's File Transfer Service. The files were too large to email. I typically use the File Transfer Service to transfer large files to DEC colleagues, but I'm hoping that you can access the link with the photos as well.

If a CD of the pictures and/or the attached docs would fit your needs better, please let me know and I'll mail one out.

Cordially,

John
